

Recycle Used Cooking Oil, Fats and Grease

COOL

Cool fats, oils, and grease (FOGs).

STORE

Strain/remove food particles and pour into a clean, sealed, shatterproof container.

DROP OFF

Take to your nearest Collection and Recycling Center to be recycled. Be prepared to leave your container.

FUEL

Your cooking oil will be processed into clean biofuel right here in South Carolina.

Lexington County's Collection and Recycling Centers

are available to all county residents at no charge when bringing material from your home.

Cooking oil is also accepted from Lexington County residents at no charge when brought from your home at the **Edmund Landfill**, located at 498 Landfill Lane, Lexington, 29073, Monday to Saturday, 7 a.m. to 4:30 p.m.

Stop the Clog!

Never pour fats, oils and grease (FOGs) down the drain. They solidify and build up over time and cause expensive sewer back-ups.

Don't Recycle FOGs Curbside!

Never place them in curbside recycling containers. The sorting equipment can't sort and bale liquids.

For more information, go to www.lex-co.sc.gov/solidwaste or call (803) 755-3325 ext 6.
